

IMPORTANT NOTICE CONCERNING YOUR RIGHTS UNDER THE SCANA CORPORATION 401(k) RETIREMENT SAVINGS PLAN

March 3, 2020

This notice is to inform you of the upcoming changes to the **SCANA Corporation 401(k) Retirement Savings Plan (the Plan)**. On or about May 4, 2020 you can expect the following changes to your Plan:

- The recordkeeper will change from Merrill Lynch to Voya Financial
- The trustee will change from Bank of America to Northern Trust
- New investment options managed by various investment advisors will be offered. These fund options, which are listed on page four of the enclosed Transition Newsletter, will replace many of the Plan's current options.

As a result of these changes, you temporarily will be unable to access your Plan account and conduct transactions such as distribution, loan and withdrawal requests; beneficiary designations or changes; and directing or diversifying investments in your Plan account. The period during which you will be unable to exercise these rights otherwise available under the Plan is called a "blackout period."

Pre-Blackout Limits on Paper-Based Transactions

Beginning on April 7, 2020, at 4 p.m., Eastern Time (ET), you will be temporarily unable to submit paper forms for hardship withdrawals from your account under the **SCANA Corporation 401(k) Retirement Savings Plan**.

Beginning on April 21, 2020, at 4 p.m., ET, you will be temporarily unable to submit paper forms for rollover contributions, loan payoffs and beneficiary updates requiring spousal consent for your account under the **SCANA Corporation 401(k) Retirement Savings Plan**.

Automated transactions through the Plan's website will continue to be accepted until April 23, 2020 at 4 p.m., Eastern Time (ET), the beginning of the blackout period.

Blackout Period

The blackout period will begin on April 23, 2020, at 4 p.m., ET, and is expected to be completed no later than the week of May 4, 2020. During the blackout period, you will be unable to direct or diversify the investments held in your **SCANA Corporation 401(k) Retirement Savings Plan** account. For this reason, it is very important that you review and consider the appropriateness of your current investments in light of your inability to direct or diversify those investments during the blackout period. For your long-term retirement security, you should give careful consideration to the importance of a well-balanced and diversified investment portfolio, taking into account all your assets, income and investments. Whether or not you are planning retirement in the near future, we encourage you to carefully consider how this blackout period may affect your retirement planning, as well as your overall financial plan.

You should also be aware that there is a risk to holding substantial portions of your assets in the securities of any one company, including the Dominion Energy Stock Fund, as individual securities tend to have wider price swings in short periods of time than investments in diversified funds. Stocks that have wide price swings might have a large loss during the blackout period, and you would not be able to direct the sale of such stocks from your Plan account during the blackout period.

By May 4, 2020, you can determine whether the blackout period has ended by calling **888-DOM401K (888-366-4015)**. You can also access the Plan online at **DominionEnergy401k.voya.com**. You will be asked for your Social Security number and your six-digit PIN (mailed to your home address during the week of April 27).

For More Information

If you have any questions concerning this notice, please call **888-DOM401K (888-366-4015)**. Customer Service Associates are available weekdays from 8 a.m. to 10 p.m., ET, excluding stock market holidays.
