Android

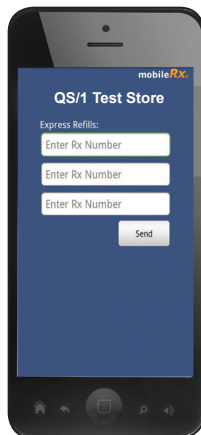

Setup

Scan the QR code to download the app, and enter your pharmacy's phone number (**8032179173**). That will take you to the home screen where you choose from the different options for requesting refills.

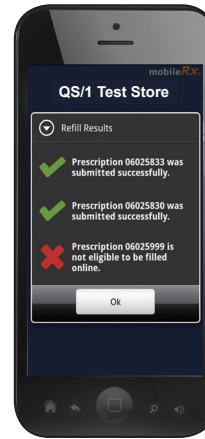

Express Refills

This feature allows you to enter up to three prescription numbers to be refilled at a time. To request more than three refills, repeat the process.

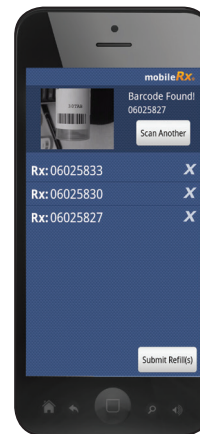

Express Refills

You will be notified instantly if prescriptions are accepted or if there is an error.

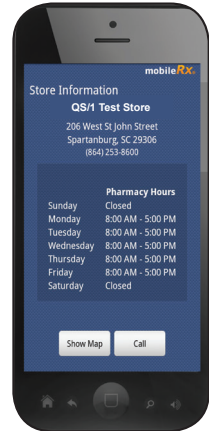

Scan Prescriptions

Scan the barcode label on the prescription bottle, and click Submit Refill(s).

Pharmacy Information

This option provides the name, address, phone number and hours of operation.

Patient Profile

Your active profile displays available refills. Select refills by checking the box to the left of the name, and click Submit.
